

YOU'RE INVITED – FREE ADMISSION!

Grab your “herd” and “hoof it on down” to The **Limelight Nashville** (201 Woodland across from LP Field – 615/780-3099) this **Saturday 8:30PM** for a very special **CADDLE** video shoot. Please print out this invitation for **FREE ADMISSION** and come “*share the Limelight with CADDLE*”.

Mixing gasoline and nitro would make a pretty impressive explosion, though nothing like the high powered *alt-country performance from these blue collar boys from Birmingham*. Described as “*Dixie fried roots rock with a dash of punk*” and “*turbo-tonk rocker’s*” **CADDLE** draws on classic country and bluegrass influences, then supercharges them with hard driving rock n’ roll.....with an attitude.
